

District 44

Safety/First Aid Meeting

March 21th 2019

8:00pm – 9:00pm
Santa Clara Christian School
3421 Monroe St. 95051

Qualified Safety Plan Requirement #6

Require first-aid training for coaches and managers, with at least one coach or manager from each team attending

- It is not necessary for the first aid and training fundamentals to be held before Safety Plan is submitted. It is acceptable for scheduled dates/locations to be listed to meet requirement.*
- Due to their training and education, it is not necessary for licensed medical doctors, licensed registered nurses, licensed practical nurses and paramedics to attend first aid training in order to meet requirement; however, it is recommended that leagues utilize these professionals from their league/community to present the training.*
- Other individuals who attend various outside first aid training and courses are not exempt.*
- Document date, location, who is required to attend and who did attend. Save copies of attendees to track their participation for future use to show that they have had training in past three years. Again, the intent is to provide training to ALL coaches/managers; minimum of one participant per team.*
- Training qualifies volunteer for 3 years, but one team representative still needed each year.*
